

# Youth Sound Art Workshop

With Jack Straw Resident Artist Peter Christenson

Presented by Jack Straw Cultural Center, Arts & Visually Impaired Audiences, and the WA State Department of Services for the Blind

## Online Workshop: Saturday, January 22, 1-2:30pm

Learn about artist Peter Christenson's Jack Straw New Media Gallery installation *F40.298: Generalized Opus Foramina* and explore the world of sound and nature. Join us via Zoom for a hands-on workshop where we'll plant seeds and learn about the art of haiku. Participants will write and record their own haiku, and combine them with sounds to create poetic soundscapes.

Audio described for the visually impaired by Arts and Visually Impaired Audiences (AVIA).
